

Memo 4

The Sea Memories Museum action would inspire a new vigor if awarded aid from the SeaWorld/Bush Gardens/Fujifilm Environmental Excellence award. A list of uses of the money is described below. The actions taken would all be in an effort to educate and spread the works of ecologic awareness for the environment. The aim of Sea Memories Museum is also to have the spirit embedded in all individuals that we come across.

List of uses of the money

- Cover the functionality of the Museum.
- Prepare a tour in the main cities to reach young generations.
- Vulgarizing my action-art to reach ecologic awareness.
- Organize the cleaning and observation of more beaches.
- Create a club for sea bottles to send ecologic messages all over the Mediterranean Sea.
- Create a foundation to manage ecologic data, literature and activities.
- Create awards for school children for the best initiatives.
- Get a bigger land to have the necessary space for the configurations.
- Change the car to be able to go to the sea and continue the action.
- Publish the poetry and the 3 books.
