Grading Policy: _________________________________________________________________

Please attach a 200-300 word abstract of the proposed DIS and course syllabus with this form and submit it to the department chair. The proposed DIS should not overlap with any other course work that you have completed, or any research you are performing for which you are receiving or will receive credit. Students may not count more than 3 DIS credit hours towards their degree. Please note that a binder containing sample course work such as homework, examinations, and project reports should be submitted to the department chair at the completion of the DIS course.
