2nd Annual Donor Recognition and Scholarship Award Ceremony

Engineering Day’s Big Success

With a record number of students and companies in attendance, Engineering Day Fall 2016 was a huge success! COE halls were packed with over 100 different organizations from industry, government and academia.

Each organization offered wonderful opportunities and information about what they had to offer FAMU-FSU COE students. This was a great chance to not only find an internship or full-time employment but also to sharpen professional skills.

The Career Center did an outstanding job putting this event together with so much hard work behind the scenes.

The COE wants to thank everyone who put in the effort to make this event possible. We also want to thank all the students who took the time to come out and take advantage of such a wonderful opportunity.

We look forward to the Engineering Day Spring 2017!
Esteemed Astrophysicist Dr. Jedidah Isler at FSU

Dr. Jedidah Isler
*A Love Affair With The Night Sky: My Journey of Discovery*

October 4, 2016
4:15 - 5:15 PM
The Medical School Auditorium
Florida State University
Doors open at 4:00 PM

Dr. Jedidah Isler is an award winning astrophysicist, TED Fellow, National Geographic Emerging Explorer and Founder & Host of “Vanguard: Conversations with Women of Color in STEM.” During her talk she will share her personal narrative and discuss the triumphs and tribulations she encountered on her way to becoming the first black woman to receive a Ph.D. in Astrophysics from Yale University. Tracing her path to becoming an astrophysicist, Dr. Isler will share an encouraging and practical set of tips for students currently engaged in their own journeys of discovery. She’ll also share ongoing work that highlights the contributions and experiences of women of color in the STEM and her devotion to advocating for a more just and inclusive scientific enterprise. She looks forward to engaging the next generation of thinkers and doers in a discussion about what it means and what it takes to be a pioneer in science and life.

FSU will be hosting Dr. Jedidah Isler, astrophysicist, TED Fellow, National Geographic Emerging Explorer and Founder and Host of “Vanguard: Conversations with Women of Color in STEM”.

Dr. Isler will be visiting Florida State University on October 4, 2016 to give a unique presentation at 4:15 pm in the Medical School Auditorium. All are welcome to attend this event. Do not miss this wonderful opportunity to get an in-depth perspective of what it is to be a woman of color in a STEM field.

First Friday @ Railroad Square Park.

On Friday, October 7th, SHPE will be back at First Friday @ Railroad Square Park selling delicious Hispanic food and dancing to Latin music. Feel free to come hang out and support us!
AIAA will be holding their General Body Meetings every other Wednesday at 7:00 pm in room A226. The next meeting will be held on October 5th. If you can’t make the meeting, join them on Facebook: https://www.facebook.com/groups/FAMUFSUAIAA

FAMU-FSU ACI-ASCE-FES will be hosting EGS at their General Body on Meeting Thursday, October 6th at 7pm in room B221. Food will be provided!

FAMU-FSU College of Engineering’s 2nd Annual Donor Recognition and Scholarship Award Ceremony

The FAMU-FSU College of Engineering will be hosting its 2nd Annual Donor Recognition and Scholarship Awards Ceremony.

This event is an opportunity to recognize our over 40 scholarship recipients and the gracious donors that not only fund the scholarships but support the college as a whole.

Without their generous support, we would not be able to provide so many wonderful financial opportunities to our engineering students

Post Card Contest

Every holiday season, COE sends a personalized postcard to all of our alumni and donors. This year we thought it would be great to get your input on designs so we are holding a COE Postcard Contest! We want you to submit a regulations sized postcard with your unique design for the Holiday season. The deadline to submit your design is November 1st. You can send your design to studentsupport@eng.famu.fsu.edu or bring it by office B223-A. Look in TWIE Edition #3 Newsletter for rules.
