Course Withdrawal Process for FAMU Engineering Students

Withdrawing from your class or classes after add and drop period has some implications. For example, you may not be eligible to receive financial aid this term or future terms; you may not be eligible to retain your scholarship or continue at FAMU as an athlete. Before deciding to withdraw from a class, please meet with your Academic Advisor to review your student record and assess your options.

You need to know:

- There is a limit of number of courses from which a student can withdraw in his/her entire undergraduate career. This does not include term withdrawals due to extenuating circumstances. Please see the course drop/withdrawal policy of the College of Engineering available in the COE Student Guide.
- **During the 7 week course drop/withdrawal period (after the drop/add deadline)**, students should email their name, EMPLID, and the course/s they wish to withdraw from to studentsupport@eng.famu.fsu.edu for approval. **During the late drop/withdrawal period (after the 7th week deadline)**, students should email the Course Late Drop/Withdrawal Request Form that can be found on https://www.eng.famu.fsu.edu/sites/default/files/pdfs/CourseLateDrop-WithdrawalRequestForm-Fall2019.pdf to studentsupport@eng.famu.fsu.edu for approval. If approved, a withdrawal service indicator will then be placed on their record that will allow them to initiate and complete the course withdrawal process in iRattler (see screenshot instructions below). **For Pre-Engineering students, please contact your advisor before withdrawing from any course.**

- Withdrawal link in iRattler will be available after the last day to add/drop and becomes unavailable after the last day to withdraw. These dates are published on the College of Engineering website: www.eng.famu.fsu.edu.
- Students who withdraw after the add/drop period but before the late drop/withdrawal deadline will receive a W grade. The W grade is not factored in GPA calculation.
- Students who stop attending and fail to officially withdraw will receive WF grade. WF grade has the same effect as F grade.
- Please contact your Academic Advisor for additional information.

*Note: Students receiving financial aid (Scholarships, Pell, and Loans etc.) should check with the financial aid counselor/officer before withdrawing below full time status.*
